

Music 110 Quiz #1 Preview

Our first written theory quiz is happening on **Friday, Oct 17**. We'll go nice and slow, budgeting the entire session to do it. Here are all of the topics that will appear on it.

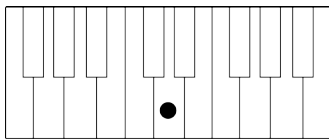

Part A - Add a count to some rhythms

2 or 3 of these, similar to the rhythms in our binder pp. 1-2. All of the rhythms will be in 4/4.

B. Notes on the piano

You see a picture of a note on the piano, and you say what it is. Maybe six of these to pump up the score. :)

D

C. Whole steps and half steps

Here I demand to know what notes are a certain distance away from other notes

Which note is a half step down from E flat?

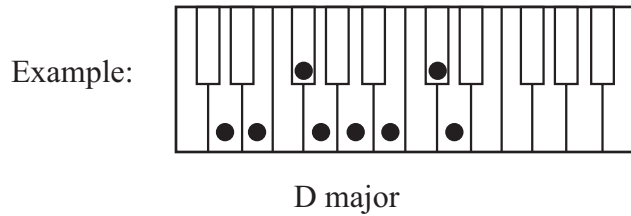

D

Scales on the back...

For the next three sections we'll use scales from the circle of fifths up to three flats (E-flat major) and three sharps (A major).

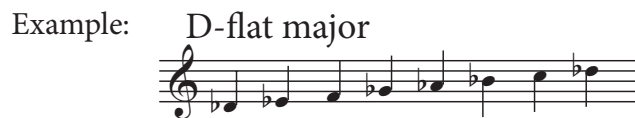

D. Scales on the piano

We'll draw one or two scales on the piano.

E. Scales on the staff

Making two major scales on the staff, including one in bass clef.

F. Recognizing key signatures

Look at two key signatures and say what they are.
